

Think
Aretha Franklin

Intro: Bb Eb (x4 - piano only)
Riff 1 (band enters)

Verse 1:

Bb Eb Bb
You better think (think) think about what you're trying to do to me
Yeah, think (think, think), let your mind go, let yourself be free
Let's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't have been too much more than ten
I ain't no psychiatrist, I ain't no doctor with a degree
It don't take too much IQ to see what you're doing to me
You better think (think) think about what you're trying to do to me
Yeah, think (think, think), let your mind go, let yourself be free

Chorus:

Bb Db Eb Bb (Riff 1)
Oh freedom (freedom), freedom (freedom), freedom, yeah freedom
Bb Db Eb Bb (Riff 1)
Freedom (freedom), freedom (freedom), freedom, oh freedom

B
Hey, think about it! You, think about it!

Verse 2:

B E B
There ain't nothing you could ask I could answer you but I won't (I won't)
I was gonna change, but I'm not, to keep doing things I don't
Hey think about what you're trying to do to me
Baby, think, let your mind go, let yourself be free
People walking around everyday, playing games that they can score
Trying to make other people lose their minds, be careful you don't lose yours
Yeah think (think) think about what you're trying to do to me
Yeah, yeah, yeah, yeah (think, think), let your mind go, let yourself be free

Bridge:

E
You need me (need me) and I need you (don't you know)
E (Riff 1)
Without each other there ain't nothing people can do

Outro:

B E B
Yeah yeah, think about it baby (what you're trying to do to me)
B E B
Oooh boy, think about it right now
B E B E B
(to the bone, forgiveness, to the bone, forgiveness)
B D E B
to the bone, forgiveness, think about it)
