Verse 1:

Never know how much I love you, never know how much I care
When you put your arms around me, I get a fever that's so hard to bear
You give me fever, when you kiss me, fever when you hold me tight
Fever in the morning, fever all through the night

Verse 2:

Listen to me, baby Hear every word I say
No one could love you the way I do cause they don't know how to love you my way
You give me fever, when you kiss me, fever when you hold me tight
Fever in the morning, fever all through the night

Verse 3:

Bless my soul, I love you, Take this heart away
Take these arms I'll never use And just believe in what my lips have to say
You give me fever, when you kiss me, fever when you hold me tight
Fever in the morning, fever all through the night

Solo

Verse 4:

Sun lights up the daytime, moon lights up the night
I light up when you call my name, and you know I'm gonna treat you right
You give me fever, when you kiss me, fever when you hold me tight
Fever in the morning, fever all through the night

Verse 5:

Everybody's got the fever, that is something you all know
Fever isn't such a new thing, fever started long ago
You give me fever, when you kiss me, fever when you hold me tight
Fever in the morning, fever all through the night
