

BLUES PROJECT FIELD TRIP

The Blues Project has been extended a very special opportunity! We have been invited to perform at Legends (Buddy Guy's blues club in Chicago) to play a special lunch hour concert from 11:30-1:30 on **Wednesday, April 6th!** We are planning to repeat the same songs as our March 12th show, but without the narration. In order to participate in this concert, students will have to miss school on Wednesday, April 6th. Students are expected to speak with their teachers and arrange to make up any work they will miss.

We will leave BF by bus at 8:15 and travel to the Dune Park train station to catch the 9:00 South Shore train. A separate van will drive up to transport all equipment and instruments; students can place their gear in the van before boarding the bus. We'll arrive at the Van Buren train station at 10:22 and walk the approximately 4 blocks to Legends. After playing and eating lunch at Legends, we will catch the 2:18 train from Van Buren station, with an estimated arrival at the Dune Park station at 3:44. Parents may elect to pick up your child either at the Dune Park Train station at 3:45, or at BF at 4:15. If you will be attending the show and want to transport your child home with you from Chicago, please indicate that on the form below.

I would suggest that students **bring at least \$25** for this field trip. Students will need money for train fare (\$4.00 each way) and money to purchase lunch at Legends (approx. \$15). There is also a merchandise counter, and many students might want to bring money to purchase T-shirts, posters, etc. Please let me know if your family can't afford this field trip; financial assistance is available.

To participate, this form must be returned by WEDNESDAY, MARCH 16th

Student Name _____ Grade: _____

1. Will your child be participating in the Blues Project field trip to Buddy Guy's Legends in Chicago on Wednesday, April 6th?
YES / NO
2. Will you be transporting your child home from Chicago after the show ?
