

Let's Work Together
Wilbert Harrison

Verse 1:

Well together we stand, divided we fall,
Come on now people, let's all get on the ball and work together.
Come on, come on, let's work together, hey now people.
Because together we will stand, every boy, girl, woman and man.

Verse 2:

Yeah when things go wrong as they sometimes will,
And the road that you travel seems all uphill, let's work together.
Come on, come on, let's work together, now, now people.
Because together we will stand, every boy, girl, woman and man.

Verse 3:

Make someone happy, make someone smile,
Let's all work together and make life worth while, let's work together.
Come on, come on, let's work together, hey now people.
Because together we will stand, every boy, girl, woman and man.

Verse 4:

Two or three minutes, two or three hours.
What does it matter in this life of ours? Work together.
Come on, come on, let's work together, now people.
Because together we will stand, every boy, girl, woman and man.
