                                           F7 [continue]
     Whoa, baby
                                a little respect
               (just a little bit)
                                               (just a little bit)
     I get tired
                                but I keep on trying
                (just a little bit)
                                               (just a little bit)
     You're running out of fools
                                     and I ain't lying
                        (just a little bit) (just a little bit)

                            when you come home
        (re- re- re- re- re- re- re- respect)
     Or you'll [unintelligible] alone [fade]
