

Skin Deep
Buddy Guy

Capo 2:

A	=	G
F#m	=	Em
E	=	D
D	=	C

INTRO:

G Em D C

VERSE:

G D
I've been around awhile, I know wrong from right,
Em C
learned a long time ago, things aint always black and white.
G D
Just like you can't, judge a book, by the cover,
Em C D
We all got to be careful, how we treat, one another.

CHORUS:

G Em D C (D)
Skin deep, skin deep, underneath, we all the same.
G Em D C (D)
Skin deep, skin deep, underneath, we all the same.
G Em D C
We are all the same

VERSE 2:

A man in Louisiana, he never called be my name,
He said "boy do this", and "boy do that",
but I never once complained
I knew he had a good heart, but he just didn't understand,
that I needed, to be treated, just like any other man.

CHORUS x2

Guitar Solo over Chorus chords (x2)

VERSE:

I sat my child down, when he was old enough to know,
I said out there in this big wide world,
you're gonna meet all kind of folks
I said son, it all comes down to just one simple rule,
that you treat everybody just the way you want them to treat you

CHORUS x4
