Verse 1: Em (riff) (riff)
Everyday nothing seems to change
(riff) (riff)
Everywhere I go I keep seeing the same old things
Am7 Em (riff)
and I, I can't take it no more
Bm7 Am7 Em(riff)
Oh, I would leave this town But I ain't got no where else to go

Verse 2: Wake up in the morning, more bad news
Sometimes I feel like I was born to lose
and I...It's driving me out of my mind
Gonna catch the next train and I'll move on down the line

Chorus: Whoah I'll be ready now I'll be ready when my train pulls in
Whoah I'll be ready now I'll be ready when my train pulls in
I know my time ain't long and I can't live this life again

Solo

Verse 3: Walking down the street you might run across a smiling face
But they'll stab you in the back as soon as you turn and walk away
and I...Oh Lord, it's bringing me down
If things don't change around here, Ain't no use in me hanging round

Chorus

Solo
