Why am I treated so bad?

B7

Hear my call, I've done nobody wrong

E7

But I'm treated so bad

I'm gonna walk out in the master's land

Things I do, they seem to be in vain

Walk on out in the master's name

Though you're treated so bad

Its a might long lane, ain't got no end

This bad wind, it won't never change

Then I heard somebody call my name

Further up the road things are gonna change

Still I'm treated so bad

Verse 4:

Oooh....

Oooh....

You know you may be blind, may be lame

Walk on out in the master's name

Though you're treated so bad
